

Summer Employment 2007 Summer Maintenance Attendant

Fairmount Park is seeking individuals to work at Pennypack and Wissahickon Environmental Centers to assist with grounds maintenance. Each center is situated in over 1,600 acres of woodland, meadow and stream-side habitat and provides outdoor education programs for children and adults. Summer maintenance attendants work with our maintenance staff clearing trails, removing vines, planting trees, weeding, and cleaning the visitor center. This is a wonderful opportunity to work outdoors and gain new skills.

RESPONSIBILITIES

- Assist maintenance staff with clearing trails, removing vines, planting trees, weeding and other grounds maintenance jobs.
- Assist with set-up and clean-up for education programs.
- Assist with cleaning of the visitor center.
