

Discover Fairmount Park in Your Neighborhood

Join us for five exciting programs (**all free**) in the Fisher Park Neighborhood. Discover the many natural and cultural resources in Fairmount Park right in your own community! For additional information, please call **215-685-0470** or visit **www.fairmountpark.org**.

Naturalist Walk and Talk

Sunday, May 20, 2007

2:00 PM – 3:30 PM

Explore the trails of Fisher Park as we hunt for spring wildflowers, identify trees and shrubs, and look for evidence of birds and other wildlife. **Where:** Meet at the Fisher Park Recreation Building.

Children's Bug Hunt

Saturday, August 18, 2007

10:00 AM – 12 PM

This fun-filled program, geared towards children **5 to 10 years old**, is a great way to get your child comfortable with the great outdoors. We will explore the forest, field, and garden, and look under rocks and logs in search of bugs and butterflies. Games and other activities will be part of the morning's activities. **Where:** Meet in front of the ROOTS Garden.

Invasive Plant ID: *The Good, the Bad & the Ugly*

Saturday, September 15, 2007

9:00 AM – 12 PM

Learn about the urban forest at Fisher Park and discover how a healthy forest functions...right here in your own neighborhood. Discover the "good" plants that make up this forest and learn what threatens their survival. During this hands-on, fun-filled morning, you will learn how to identify the five most invasive plants at Fisher, learn techniques for how to remove them, and practice your skills under the expert guidance of Fairmount Park's staff. **Where:** Meet in front of the Fisher Park Recreation Building.

Trees, Seeds and Apple Cider Making!

Sunday, October 28, 2007

2:00 PM – 4:00 PM

Join Fairmount Park's naturalist to discover the beauty of Fisher Park in fall. Learn some of the different trees in Fisher Park and the surrounding neighborhood and discover how trees prepare for the cold winter months. Help turn the crank of our apple press and make **fresh apple cider**. Children under 12 must be accompanied by an adult. **Where:** Meet in front of the ROOTS Garden.

Audubon Christmas Bird Count

Saturday, December 15, 2007

8:00 AM – 10:00 AM

Enjoy this opportunity to help count birds and be part of an international citizen science effort. Fisher Park birds have been part of the Pennypack Valley Bird Count for many years. Come along and see how it's done. Bring binoculars if you have them. With luck, we'll see Fisher Park's resident Red-tailed Hawk! **Where:** Meet at the Fisher Park Recreation Building.

FISHER PARK

Olney, East Oak Lane, Logan

In Partnership with **Fisher Park Community Alliance**
