

Summer Employment 2007 Summer Environmental Educator

Fairmount Park Environmental Education is seeking individuals to work at the Wissahickon and Pennypack Environmental Centers in Fairmount Park assisting the education staff with summer programs. Each center is situated in over 1,600 acres of woodland, meadow and stream side habitat. Summer environmental educators work with our education staff teaching fun, outdoor programs for children and adults on streams, forest ecology, watersheds, native wildlife and plants. Don't miss this

opportunity to learn hands-on, outdoor teaching techniques.

RESPONSIBILITIES

- Assist education staff with teaching environmental programs for children and adults.
- Assist with summer nature camp.
- Assist staff with administrative functions such as program scheduling, office management, exhibit maintenance, and other day-to-day operations.
- Assist with special events and summer programs at Fox Chase Farm.

DATES & HOURS

37.5 hours per week
May 14, 2007 thru September 1, 2007
(Some evenings and weekends)

SALARY (no benefits)

\$9.38 per hour before July 1, 2007
\$10.73 per hour beginning July 1, 2007

REQUIREMENTS

At least one year of study at an accredited college or university. Course work in education, biology, forestry, or other environmental field. Ability to physically perform the work in outdoor conditions.

LOCATIONS
