

# Fairmount Park Environmental Education

## Volunteer Opportunities 2007

### Summer Education Intern

Fairmount Park Environmental Education has openings available for **summer internships** (unpaid) at the Wissahickon and Pennypack Environmental Centers in Fairmount Park. Summer education interns assist the education staff with summer nature camp and other summer programs. Each center is situated in over 1,600 acres of woodland, meadow and stream side habitat. This is a wonderful opportunity to fulfill internships and community service requirements and to learn hands-on, outdoor teaching techniques.

#### RESPONSIBILITIES

- Assist education staff with teaching environmental programs for children and adults.
- Assist with summer nature camp.
- Assist staff with administrative functions and other day-to-day operations.

#### HOURS

Hours are flexible
